

For 82 years, wherever important watch business meetings take place around the world, Europa Star is always present and influential

SIT DOWN AND DO BUSINESS ANYWHERE IN THE WORLD

Europa Star will be by your side with over 380,000 copies circulated internationally and 4 major user-friendly websites in English, Chinese, Spanish and Russian, the four most important watch markets in the world. Europa Star has universal coverage and offers editorial qualities no other publication can match.

With its network of 6 geographical editions sent by direct mail to the global watch trade - retailers, distributors, manufacturers and aficionados - along with its daily updated websites, Europa Star enables you to reach your business target anywhere, anytime...
